WRITING

Hello, I would like to answer the questions.
I enjoy fantasy films about fightings because
I think it's very interesting. I often watch those
films ^{where} who would win the fight or another. I prefer
watching films at home because it's more comfort
able to lie in comfortable bed than sitting in seat
for about two hours. But I think cinema films have
better quality than some random website's. And if you're
going to watch film with your friend, it's better
to go to cinema, because there won't be place in bed
for everyone.

WRITING

Thank you for your questions. I am ready to answer them.

I like to watch films. My favourite film is "Ice-3". * I watched this film in the cinema, but I ~~more~~ ^{prefer to} watch movies at home. ~~I am~~ embarrassed at the cinema because I often make noise and people turn around. I ~~don't~~ feel comfortable there. I am relaxed at home. And also because I like to watch with my family. That is all for me. I hope I answered your questions.

20

* I think many people have watched this film.
~~I~~ In general, I love a lot of different and TV series.

~~At that~~ Everyone ~~were~~^{was} sad. But Fortunately her mum cooked another cake as a surprise^s. The party was saved.

At the end everyone was happy. I left excited. For the next time I will be ^{more} careful with cakes.

1) Hello, my name is Fedorchenko Polina and I would like to participate in your international talent contest. I know how to play a musical instrument. I like playing the domra and have wanted to enter some kind of competition somewhere for a long time. I've been playing the domra since I was eleven years old. For three and half years I played in music school. I'm currently playing in a folk orchestra. Once a year, I go to music courses. The course runs for two weeks. I really enjoy being on the course, you get to know a lot of the guys. We also exchange experiences with each other on occasion. At the end of the course, students take exams. When I was in music school I participated in many competitions. I want to participate in your contest because I like to compete with other children and win.

2) My friend's name is Liza, she's 10 years old. She is very kind and caring. I gave her a surprise because it was her birthday. I made her a cake of different candies, it was very beautiful. We celebrated in cafe. We brought out a cake with candles and she made a wish and blew out the candles. She liked the surprise very much, she was happy. I was very pleased that she liked it. My plans didn't fall through and everything went well. Everyone was happy with the day they had spent. What we can learn from this is that when you do something nice for a person, you are also happy that you were able to please a loved one.
